*About*

## **FALLEN ANGEL IS A NEW TRUE CRIME MUSICAL WRITTEN BY CANDICE MOORE**

with music and lyrics by Heather Cooper and Jacqueline Gourlay Grant. Inspired by the murders of Sumarti Ningsih and Seneng Mujiasih in Hong Kong. Supported with a playwriting grant by the Hong Kong Arts Development Council.

### **SYNOPSIS**

Alex Ramirez has it all. He is a successful investment banker in Hong Kong and a committed lay preacher in Reverend Swift's church. He is charming and charismatic, but a wolf in sheep's clothing. In private, he is a ruthless, narcissistic predator. His brother Dominic, a lawyer, looks out for him and fixes his mistakes. Alex becomes close to the Domingo sisters, not realising they are working undercover to gather evidence that he murdered his mother, Vivian, and other women.

Can the Domingo sisters bring him to justice before he realises they are onto him?
